PROFILE

An Enthusiastic undergraduate student in Electrical and Electronics Engineering, skilled with web development and applying programming skills to solve complex challenges and adapt to work environment and work positively in team oriented environment, active learner as per work requirement and contributing positively toward the growth of organization and personal growth.

SKILLS

- **Software**
  o Cloud Computing
  o Python
  o RDBMS
  o HTML
  o MS Word
  o MS PowerPoint

- **Hardware**
  o Multisim
  o Matlab

EDUCATION

BE in Electrical and Electronics CGPA 8.82

2013-2017

Pes University, Bengaluru

12th in Science

PCMS-2012-2013

Viveka PU College, Kota

Percentage - 94%

10th Standard CBSE 2010-2011

G.M.V.P.S, Brahmavara

CGPA 8.2

Work Experience

Content Developer in Chanakya IAS Academy Worked on
- Current Affairs Magazine
- Daily News Analysis

Certification Courses

Pursued AWS Certified Developer Associate Course in Udemy.
(URL:https://www.udemy.com/certificate/UC-0f9aa0d1-0fe4-4d41-b19e-9bc3ebe8df70/)

- **Behavioral Skills**
  - o Time Management
  - o Leadership skills
  - o Curious to learn
  - o Problem Solving

- **Hobbies**
  - o Reading Non-Fiction Books
  - o Reading Newspaper
  - o Learning Languages

LANGUAGES

- English
- Kannada
- Hindi
- Telugu

ORGANIZATIONS

- **Chanakya IAS Academy**
- **VOICE Group**

ACTIVITIES

- Attended Civil Service Examination.
- Donating Blood for Blood Banks.
- Participated in various events during college fest.

PROJECTS

- **Interleaved Buck Converter for Photovoltaic Application**
  The project was to develop a best way to improve efficiency of solar power using interleaved buck converter which has improved step down conversion ratio for the application of high inputs. Developed using Matlab, Multisim.

CERTIFICATES

- **Technophilia Systems**
  Workshop on Sixth Sense Technology through Image Processing and machine vision System.
- **Dept. of Electrical and Electronics Engineering**
  Event Organizer in the EWD Activity-Premier Buzz in PES College
- **Li2 Innovation Pvt Ltd**
  Two days' workshop on Speech Processing Robot using TI MSP430 Micro-controller.
- **Aatmatrisha Techno-Cultural Fest**
  Secured First place in Gully Cricket.

DECLARATIONS

I here by declaring that the above-mentioned information is true and correct to the best of my knowledge.
